HECTOR BERLIOZ

SCENES FROM THE
CHILDHOOD OF CHRIST
ABRIDGED

This selection of Two Scenes and the Epilogue from the Childhood of Christ contains some of the most endearing music Berlioz ever wrote. Hence in a letter to the composer written, "I hear on all sides that your music is a perfect bouquet of sweet flowers of melody and a masterpiece of simplicity." Certainly these few excerpts contain an assemblage of melody unusual even for Berlioz.

Time of performance: 30 minutes
