Twenty years ago, a magician named Aldous Gallowglas was cursed to walk the world eternally, as a rotting corpse. Since then, he's dedicated his art to unlocking the secrets of immortality. Now, the country of Sundria is crumbling under the effects of a magical plague, and Aldous must travel to distant lands to try and find a cure. However, his quest may be the death of him—a path filled with reanimated zombies, plague-ridden tourists, and ancient secrets that will destroy the mortal soul. And the only way out of this hell is to make a deal with the devil.
